#### Women's Silk Umbrellas

indicate that the vogue for cheerful colors in these indispensable adjuncts of the rainyday costume will continue during another season; although umbrellas of the more sombre hues, which many women of conservative tastes prefer, will always be good

A great deal of ingenuity and artistic skill has been expended on the new umbrella handles, among which are some charming effects in ivory, damascened metals, bakelite, leather, sterling silver and solid gold.

Men's Walking Sticks and London Umbrellas are also shown in the correct styles for Autumn and Winter.

Doesn't hurt a bit! Just a drop of Freezone on a sore, touchy corn stops that corn from hurting, then shortly you lift that bothersome corn right out, root and all. No pain, no soreness. You'll laugh.

Hard corns, soft corns, corns between the toes and painful calluses on bottom of feet loosen right up and fall off. Truly magic! Corns and calluses are needless. Don't keep them!

Freezone is the remarkable other discovery of Cincinnati genius. Try it! No humbug! of Freezone cost only a few cents

For three and a half years he served, decidedly against his will, on the French and British fronts. Then he heard that the Americans were coming and resolved that at the first opportunity he would surrender to

That opportunity came one nigh when he was on outpost duty. An American patrol came within halling distance and he ran toward it, shoutng: "I'm an American in a German He was taking long chances, for

the Americans had heard of the Ger-man tricks associated with surrender. But when the German soldier shouted that he had been a waiter at Coney Island he was permitted to advance. Ttaken to the Intelligence Office, he ave much useful information and egged not to be sent to the prison

"I'm a New Yorker." he said. "My eart is with America. I want to tay with the New Yorkers. I will ook for them or do anything just to

Regulations demanded that he be sent to the eage, but, having proved himself to be what he claimed, he received many liberties.

It was only demanded that he re-strain himself whenever he seemed on the verge of kissing every New York soldier he came across. This was a distinct punishment to him when a number of Brooklyn soldiers sald they remembered him at Felt

isfaction while I was in the cage by putting my thumb to my nose and twirling my fingers at the German officers imprisoned there."
